WIN MOSES, JR. - MAYOR

AGREEMENT ON DALMAN ROAD IMPROVEMENT

WHEREAS, the Board of Aviation Commissioners has acquired and is in process of acquiring highway right-of-way for the widening of Dalman Road to a width of 120 feet from Airport Road West to Smith Road in order to relocate the Indianapolis Road thereon.

WHEREAS, the Board will, as part of said relocation, at its cost, extend the Baer Field Thruway, an improved 4-lane divided highway, along Dalman to a point approximately 5500 feet East of Smith Road in order to replace the existing Thruway in said area.

WHEREAS, the Board will further extend, at its cost, a 2-lane highway along Dalman Road the remaining 5500 feet to Smith Road as part of said relocation and it is highly desirable to both the City and County that said extension be made as a 4-lane divided highway so that the Baer Field Thruway is fully improved all the way to Smith Road.

WHEREAS, the East 3800 feet of said extension is located within the City Limits of Fort Wayne and the West 1700 feet of said extension is located outside the City Limits in Allen County.

WHEREAS, it is desirable that said project be bid and constructed as a unit in order to minimize construction costs and to provide for efficiency of design and construction.

WHEREAS, the Board has secured complete engineering and construction plans for said work and the City of Fort Wayne has advertised for bids for said work as the agent for the Board and the engineers' estimate for the additional cost of constructing a divided 4-lane highway over said remaining 5500 feet East of Smith Road is \$428,000.00 over and above the cost of 2-laning said road as proposed and to be paid for by the Board.

WHEREAS, said work as composed will comply with City and County specifications and standards and has been approved by the respective departments of said governments.

WHEREAS, the fair share of the cost to provide for the 4-laning of said road is 1700/5500 or 31% (estimated to be \$132,680.00) to Allen County and 3800/5500 or 69% (estimated to be \$295,320.00) to the City of Fort Wayne.

NOW, THEREFORE, it is hereby mutually agreed:

1. That the Board shall execute a contract for the construction of the extension of the Baer Field Thruway from its present terminus West to Smith Road as a 4-lane divided highway according to the plans submitted to the best and lowest contract bidder.

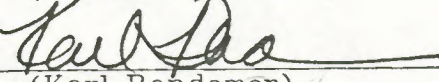

2. That the City of Fort Wayne will reimburse the Board for its 69% share and the County of Allen will reimburse the Board for its 31% share of the cost of constructing the West 5500 feet of said highway as a 4-lane divided highway over and above the cost of a 2-lane highway to be paid for by the Board.

3. That said reimbursements will be paid by the City and County to the Board according to the engineers' authorizations for the payment of said work to the contractor.

Dated this 29th day of July, 1983.

ADDENDUM TO AGREEMENT
ON DALMAN ROAD IMPROVEMENT.

Contract for the extension of the Baer Field Thruway along Dalman Road to a point approximately 5,500 feet East of Smith Road was duly certified by the City of Fort Wayne and awarded by the Board of Aviation Commissioners to Rieth-Riley Construction Company, Inc. on their low bid of \$1,379,992.61 on August 17, 1983.

The amount of said contract is subject to adjustment for quantities of materials used and any necessary change orders incurred during construction.

The 69% share of the cost of said contract chargeable to the City of Fort Wayne as bid is \$243,154.82.

The 31% share of the cost of said contract chargeable to Allen County is \$109,243.47.
